EU-CONEXUS

European University for Smart Urban Coastal Sustainability

We open up opportunities to foster close cooperation between university, society and socio-economic partners, enabling smart solutions for developing coastal areas in a sustainable way.

WE ARE

a strong partnership between nine universities developing science and innovation into a hub of excellence on Smart Urban Coastal Sustainability (SmUCS).

WE CREATE

a unique way of studying and carrying out research through institutional alignment and seamless mobility for all, shaping regional policies and promoting national cultures of the partner countries.

WE PROMOTE

European values and identity by bringing together a new generation of European citizens.

WE BUILD

the University of the Future.
