## II. Final nomination list

The final ranking consists of the total points collected from the selection criteria evaluation (60 to 100) and interview evaluation (5-25). In case of high competition, the priority was given to the applicants based on their indicated priorities for the track and university in the 3<sup>rd</sup> semester to ensure the homogenous distribution of students among the tracks and universities.

All applicants who have gone through interview stage in the 1<sup>st</sup> and 2<sup>nd</sup> rounds of Admission process were ranked to distribute grants with exemption of fees and for self-funded places (maximum total number of students is 40).

Programme Board, on the recommendation of the Selection Committee, nominated 5 students for grants with 100% of exemption of fees.

The grants with 50% of exemption of fees will be offered to the waiting list (all candidates who were interviewed) via email and the interested candidates will have to communicate their interest in this discount from 15 to 24 June at 10:00h (CET). If there were more than 5 interested applicants, the 5 best candidates from the waiting list will be selected in order.

If all the 50% discount places are sold out and there are more interested candidates, the self-funded places will be offered.

### **EU-CONEXUS Master Officer shall inform all applicants of their status.**

It is expected that those who have been offered 100% and 50% discount on tuition fees must sign Student agreement by 08/07/2022 thus accepting the invitation to study offer. If the nominated applicant is still in his/her last year of bachelor studies, a provisional decision to accept the offer shall be given.

### **Waiting list and the 2<sup>nd</sup> round**

If any of the nominated candidates for 100% discount on tuition fees refuses the offer to study JMPMB, his/her place can be offered to the candidates from the waiting list based on the ranking (to be announced after 20/07/2022) and, preferably, by chosen track and university.
