## II. Final list

The final ranking consists of the total points collected from the eligibility and interview stage. In case of high competition, the priority was given to the applicants based on their track priority to ensure the homogenous distribution of students among the tracks.

All applicants who have gone through interview stage in the 1<sup>st</sup> and 2<sup>nd</sup> round of admission process were ranked to distribute grants with exemption of fees places (maximum total number of students next intake will be 36).

The Programme Board agrees with the Selection Committee to nominate 10 students for 100% fee waiver and 2 students for 50% fee waiver.

It is expected that those who have been offered 100% and 50% discount on tuition fees must sign Student agreement on July thus accepting the invitation to study offer.

Jeronimo Chirivella, Academic Coordinator of JMPMB [academic.coordinator@eu-conexus.eu](mailto:academic.coordinator@eu-conexus.eu)

### III. Waiting list.

If any of the nominated candidates for discounts on tuition fees refuses the offer to study JMPMB, his/her place can be offered to the candidates from the 1<sup>st</sup> and 2<sup>nd</sup> round waiting list based on the ranking and considering the chosen track.

### IV. Appeals

The Selection Committee and Programme Board guarantee an absence of any conflict of interest as well as transparency and equal treatment for all applicants.

In case of any objection in any stage of the application, selection and admission process, the applicant may file his/her appeal to the Academic Coordinator at the Programme Coordinator University and send it to [academic.coordinator@eu-conexus.eu](mailto:academic.coordinator@eu-conexus.eu)

The appeals for the results listed in this protocol are accepted until **07/07/2023**.
