

## 1<sup>ST</sup> ROUND SELECTION PROCESS

### Eligibility and assessment of applications

Virtual meeting, 05/03/2024

Selection Committee has received 489 submitted applications for the 1<sup>st</sup> selection round (application submission deadline 15/02/2024) to study Joint Master Programme in Marine Biotechnology starting in the academic year 2024-2025. The 1<sup>st</sup> round was to select the best candidates to study JMPMB with Erasmus Mundus scholarships.

#### **I. Selection Committee has evaluated each application for its eligibility to study JMPMB:**

- 1) first the formal aspects were checked (required documents, documents in English, etc.),
- 2) and then the eligibility requirements were reviewed.

The relevance of the Bachelor's degree (or equivalent) of the applicant in respect to the access to the second cycle studies and the JMPMB programme were assessed:

- The degree issuing higher education institution must be an accredited institution in the country where the studies are conducted/registration of HEI and to have a right to issue the degree which is submitted.
- The programme must be accredited for the period when the applicant has studied there.
- The qualification must provide the access to Master's studies.
- The qualification must be recognized by the NARICs (National Academic Recognition Information Centers) of the Partners.  
*\*This verification will be carried out throughout the selection process.*
- The qualification (or together with additional formal and non-formal qualifications) shall meet specific requirements to study JMPMB.
