

## **Terms & Conditions of Participation**

- The formal founding of a start-up or a business, based on the submitted project idea for the EU-CONEXUS Innovation Contest Ideas is not allowed before or during the participation in the EU-CONEXUS Innovation Contest.
- The idea must be created and developed by the listed participants and must not violate rights of any third person.
- Participation is confidential. The jury members sign a letter of confidentiality. Personal information of the participants as well as the project ideas will be kept confidential and not handed over to unauthorized third persons.
- Participants agree to present their ideas in case of the framework of a public award ceremony and assist in public relations. Participants also agree on the publication of pictures and videos taken during the award ceremony.
- Participants are obliged to handle contributed data confidential throughout the contest. Participants shall not distribute personal or sensitive data of other participating teams to third persons.
- Participation in the contest means that participants agree on the requirements and conditions for attending listed here.
- The decision made by the jury and the award donors are final.
- The legal recourse is excluded.
