

2nd ROUND SELECTION PROCESS

Interviews list - Results

Virtual meeting, 11/06/2025

The 2nd round was to select the best candidates to study JMPMB with the following characteristics:

- ✓ Up to 20 grants with 100% of exemption of fees.
- ✓ Up to 5 grants with 50% of exemption of fees.

These discounts will be offered to the best candidates from the first-round waiting list and 2nd round candidates who succeed in the interview process.

**The number of available places per track (specialization) will be considered to ensure the homogenous distribution of students among the tracks. The JMPMB is not obligated to fulfill the 25 grants available during this round.*

***The tuition fee waiver does not include accommodation, travelling, and any other living costs of the Student.*

I. Selection Committee has assessed each interview according to the following interview evaluation criteria and point system:

Interview evaluation criteria	Points
Motivation	1 (extremely low) to 10 (very high)
Strength	1 (extremely low) to 10 (very high)
Disagreement	1 (extremely low) to 10 (very high)
Aspirations	1 (extremely low) to 10 (very high)
Cultural knowledge	1 (extremely low) to 10 (very high)
Total:	5 to 50

II. Final list

The final ranking consists of the total points collected from the eligibility and interview stage. In case of high competition, priority was given to the applicants based on their track priority to ensure the homogenous distribution of students among the tracks.

The Selection Committee agrees to nominate 14 students for a 100% fee waiver.

It is expected that those who have been offered a 100% discount on tuition fees sign Student agreement on June thus accepting the invitation to study offer.
