professional.	0		
11. This experience has increased my expectations of obtaining a job in the future in line with my Master's programme.	4.8 8	4	5
12. I am satisfied with the internship.	4.8 8	4	5
Indicate proposals for improvement of the internship programme in which you have participated:			

2. Observations of interest

Average value of Internship Student Survey is 4.31 which suggests that students are satisfied with internship. Question The internship has contributed to improving my training as a future professional was assessed with a maximum value by all students who participated in the survey. However, small response rate of 25.81% does not allow to draw conclusions regarding internship satisfaction.

3. Other points if necessary
