| <b>INTERNSHIP PROGRAMME</b>                                                                                                                                                                                                                                                                                  |      |     |     |
| 1. The information published on the website about degree internships is useful.                                                                                                                                                                                                                              | 3.56 | 3   | 5   |
| 2. The degree programme's internship programme was adequate.                                                                                                                                                                                                                                                 | 4.00 | 3   | 5   |
| 3. The duration of the internship period is appropriate to the objectives pursued.                                                                                                                                                                                                                           | 3.44 | 2   | 5   |
| If No:                                                                                                                                                                                                                                                                                                       |      |     |     |
| 4. The information I have received from the internship coordinator regarding the internship is sufficient and clear.                                                                                                                                                                                         | 3.56 | 1   | 5   |
| 5. The organisation of the internship was appropriate (calendar, timetables, communication between university-company/centre, etc.).                                                                                                                                                                         | 3.67 | 1   | 5   |
| <b>STUDENTS ON WORK PLACEMENTS</b>                                                                                                                                                                                                                                                                           |      |     |     |
| 6. The theoretical training of the students received is adequate for acquiring and developing the competences, skills, abilities and capacities necessary in this field.                                                                                                                                     | 4.44 | 3   | 5   |
| 7. Overall, assess the degree of performance demonstrated by the students according to the following learning outcomes (EQF level 7):<br>None = 1 Totally = 4                                                                                                                                                |      |     |     |
| <ul style="list-style-type: none"><li>Highly specialised knowledge, some of which is at the forefront of knowledge in a field of work or study, as the basis for original thinking and/or research Critical awareness of knowledge issues in a field and at the interface between different fields</li></ul> | 4.00 | 3   | 5   |
| <ul style="list-style-type: none"><li>Specialised problem-solving skills required in research and/or innovation in order to develop new knowledge and procedures and to integrate knowledge from different fields</li></ul>                                                                                  | 4.00 | 2   | 5   |

|                                                                                                                                                                                                                                                                                                                                                                                                                                        |      |   |   |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|---|---|
| <ul style="list-style-type: none"> <li>Manage and transform work or study contexts that are complex, unpredictable and require new strategic approaches</li> <li>Take responsibility for contributing to professional knowledge and practice and/or for reviewing the strategic performance of team</li> </ul>                                                                                                                         | 3.78 | 2 | 5 |
| <b>OVERALL ASSESSMENT</b>                                                                                                                                                                                                                                                                                                                                                                                                              |      |   |   |
| 8. The internship programme provides students with complementary training related to the current professional profile sought by companies/centres.                                                                                                                                                                                                                                                                                     | 4.22 | 3 | 5 |
| 9. In general, I am satisfied with the attitude of the intern (behaviour, collaboration, punctuality, etc.).                                                                                                                                                                                                                                                                                                                           | 4.78 | 3 | 5 |
| 10. In general, I am satisfied with the results achieved by the student(s)                                                                                                                                                                                                                                                                                                                                                             | 4.56 | 3 | 5 |
| 11. In general, I am satisfied with the organisation and implementation of the JMPMB.                                                                                                                                                                                                                                                                                                                                                  | 4.00 | 3 | 5 |
| 12. In general, I am satisfied with the internship.                                                                                                                                                                                                                                                                                                                                                                                    | 4.56 | 3 | 5 |
| Please indicate any suggestions or observations of interest that you would like to make regarding the internship (i.e. -Was the student of the standard you expected? Were there any particular skills that the student lacks and you had expected him to have when they arrived? Would you consider taking another student? Would you recruit this student if you had the opportunity to do it?) and the first year master programme. |      |   |   |
